If you are the referring professional, you are confirming that the named parent has consented to this referral, signed this form, is happy to be contacted by Let's Grow Together, and has read and understood the privacy notice. If the form is not signed by the caregiver we will unfortunately not be able to process it.

Privacy Notice – Parents Plus Registration Form

Let's Grow Together are delivering the Parents Plus Programme on behalf of HSE Sláintecare Healthy Communities. The Registration Form will provide Let's Grow Together with the relevant data to administer this programme. Let's Grow Together is the data controller for the information collected and processed from the Registration Form as part of this Programme.

Purpose

The purpose of processing this data is to register your interest in the Parents Plus Programme. Further processing of your data may be required if you agree to register to participate in the Parents Plus Programme (there is a separate Registration Form for this).

Types of Personal Data

The types of personal data collected on this form include name, address, Eircode, phone number, email and date of birth of your child.

Legal Basis

The lawful basis that we are relying on to process this data is your consent. To withdraw your consent to the processing of your personal data, please contact the designated individual listed at the end of this Notice.

Third Party Recipients

The data provided as part of the Registration Form will not be shared with any third parties.

Transfers

The data provided in the Registration Form will not be transferred outside of the EU/EEA.

Retention

The data collected as part of the Registration Form will be retained by Let's Grow Together for the duration of the provision of our services to you. In the case of Parents Plus, this will typically be a period of time until your child reaches their 13th birthday.

Data Subject Rights

As a data controller, Let's Grow Together must fulfil data subject rights requests. Data subjects have the following rights:

- Right to access
- Right to rectification
- Right to erasure
- Right to restrict processing
- Right to data portability
- Right to object

To exercise any of the above rights, please use the contact details below.

Data subjects have the right to lodge a complaint with the Data Protection Commission. For more information visit:

<https://www.dataprotection.ie/en/>

If you would like further information regarding how we process your data, please see our full Privacy Notice available at:

<https://letsgrowtogether.ie/privacy-notice-lets-grow-together/>

If you have any data protection related questions or if you wish to exercise any of your rights as a data subject, please contact Emily Harrington at Let's Grow Together in any of the following ways:

Empowering Professionals to Support Families

Early Years Programme

Parents Plus Early Years programme is practical and draws on parents' strengths. It is suitable for parents and caregivers of children aged 1 to 6 years, including young children with additional needs. It runs over 8 weeks and aims to support parents/caregivers in helping children develop positive relationships, build their language and development, increase their children's self-esteem, establish positive daily routines as well as reducing their own stress as parents.

Studies in preschool, mental health and early intervention settings have shown that families who complete the Parents Plus Early Years programme report:

- Increased child positive behaviour
- Increased school readiness
- Less parental stress
- Increased parental confidence

Children's Programme

Parents Plus Children's programme is practical and draws on parents' strengths. It is suitable for parents and caregivers of children aged 6 to 11 years, including children with additional needs. It runs over 8 weeks and aims to support parents/caregivers in supporting children's behaviours and emotions, building children's confidence and self-esteem, problem solving with their children, establishing positive daily routines as well as reducing their own stress as parents.

Studies in primary schools, mental health and disability settings have shown that families who complete the Parents Plus Children's programme report:

- Increased child positive behaviour
- Helps children to manage their emotions
- Less parental stress
- Increased parental confidence
